How You Can Have "Naturally Curly" Hair

If you will forever curl your hair and follow the simple plan here suggested, you will have the most beautiful hair in the world. The secret lies in the way you will acquire the "wave"—the wavy will acquire the "curls"—the wavy will acquire the "wavy" and the wavy will acquire the "curls." The other guests will be amazed at the beauty of your hair.

The hair will be quite manageable at all times, no matter how you do it.
